License No. MA50090	:

TO PRACTICE MEDICINE AND SURGERY	:	CONSENT ORDER OF VOLUNTARY
IN THE STATE OF NEW JERSEY	:	SURRENDER OF LICENSURE
	:	

This matter was opened to the New Jersey State Board of Medical Examiners ("Board") upon receipt of information that on or about October 26, 2005, the State of New York, Department of Health, State Board for Professional Medical Conduct ("New York Board") entered a Determination and Order revoking the license to practice medicine in the State of New York issued to Respondent Radoslav Maric, M.D. ("Respondent"). The disciplinary action taken by the New York Board was based on findings that Respondent engaged in professional misconduct during the course of treatment of six (6) patients. Specifically, the New York Board sustained the First,

CERTIFIED TRUE COPY

Fifth (in part), Sixth and Seventh Specifications set forth in the Statement of Charges which alleged negligence on more than one occasion, gross incompetence, and failure to maintain records.

The above-described action by the sister state of New York provides grounds to take disciplinary action against Respondent's license to practice medicine and surgery in New Jersey pursuant to N.J.S.A. 45:1-21(g), (d), and (e). The action taken by the New York Board also provides grounds to take disciplinary action against Respondent's New Jersey license pursuant to N.J.S.A. 45:1-21(h) for failure to comply with N.J.A.C. 13:35-6.5. Respondent's failure to renew his license to practice medicine in New Jersey since 1993 provides additional ground for automatic suspension pursuant to N.J.S.A. 45:1-7.1(b).

It appearing that Respondent wishes to resolve this matter without formal proceedings, and the Board finding the within Order to be adequately protective of the public interest and for good cause shown;

IT IS on this 9th day of August, 2006, ORDERED AND AGREED THAT:

1. Respondent's license to practice medicine and surgery in the State of New Jersey shall be and is hereby voluntarily surrendered with prejudice, precluding Respondent from seeking reinstatement of his license in the State of New Jersey at any time in the future.

2. Respondent shall not engage in any practice of medicine and surgery in the State of New Jersey.

3. Respondent shall surrender his original license certificate within thirty (30) days of the entry of this Order. In the event that Respondent is unable to produce the original licensure certificate because of loss or for any other reason, Respondent shall file a notarized affidavit with the Board within thirty (30) days of the entry of this Order stating the reason for his inability to produce the original licensure certificate.
